Santa, and a lot of helpers, make a better Christmas

A child checks out a new toy while sitting on Santa Claus' knee Thursday at the Queen Louise Home for Children on St. Croix. Members of People United for a Better Virgin Islands and the Riff Raff social club collected and donated toys, cash, change and checks as part of the Coins for Kids Coalition fundraiser. Members of the clubs placed collection jars at more than 20 local businesses to collect the money. The collection drive was first initiated by James Gamble in 1999.

New participants are welcome and can get a small collection can to locate at a business or residence by calling Yusef Francis at 692-3718.
